Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the prior art did not teach or suggest a liquid crystal device with either 1) the plurality of partitions for dividing a first pixel half into two domains and a second pixel half into three domains, or 2) the second pixel electrode partition having a first side and a second side shorter than the first side, wherein the first and second sides of the second partition are parallel to the second and first signal lines, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
